Career Objective

Aspiring to build a successful career as a Graphic Designer in both local and global organizations by contributing value in brand development, visual storytelling, and promotional strategies. With expertise in creative design and a commitment to delivering high-quality work, I aim to grow into the role of a Senior Graphic Designer within the next 4–5 years through continuous skill enhancement and professional excellence.

Experience

Ultior Engineering Intl

May 04, 2025 – Present.

Graphic Designer

Responsibilities:

- Designed complete branding materials including company profiles, brochures, and marketing assets.
- Created engaging social media posts, banners, and promotional content. Developed expo and event designs such as banners, backdrops, and display materials.
- Designed print materials including flyers, brochures and corporate documents.
- Produced YouTube thumbnails and digital creatives.
- Maintained consistent brand identity across all platforms.
- Collaborated with team members to deliver creative solutions aligned with business goals.

Achievement:

- Managed end-to-end design projects for branding and marketing campaigns.
- Improved brand visibility through consistent and high-quality visual content.
